Martin John Heubach, 51		

## **SPECIAL THANKS**

---

Thank you to the Longfellow Community Council for acting as the fiscal agent of LoLa

**LONGFELLOW**  
COMMUNITY COUNCIL

## WELCOME TO THE LOLA 2015 ART CRAWL!

Sponsored by the League of Longfellow Artists, this event has been a tradition of the Greater Longfellow neighborhood since 2009. At businesses, studios, and homes throughout Longfellow, artists who live and work here exhibit and sell their work, including jewelry, glasswork, painting, collage, photography, textiles, pottery, sculpture, and more. This year's crawl features 115 artists at 62 sites! We are delighted to have many first-time artists, as well as many new and returning community sponsors for the 2015 crawl.

A few things are new this year, including this directory packed with information about the crawl, our neighborhood, and our community sponsors. Also new are our September dates (past crawls were held in late August), and special deals offered by some sponsoring businesses to crawl visitors sporting "I Bought LoLa Art" buttons. Be sure to get your "I Bought LoLa Art" button while supplies last!

LoLa is committed to promoting the arts, connecting artists, building community, and fostering respect for diverse cultures and artistic traditions. Whether you are an artist or an art lover, this is a great time to get involved in shaping LoLa's future! Details on how to stay in touch are listed below.

Enjoy the crawl!

The core organizing group for LoLa's 2015 Art Crawl were David Holliday (chair), Lisa Anderson, Stephen Clark, Dan Goddard, Sally Lieberman, Megan Moore, and Shirley Neilson.

## CONSTRUCTION NOTE

Details about the construction on Minnehaha Ave can be found online:  
<http://www.hennepin.us/residents/transportation/minnehaha-ave-mpls>

**All LoLa Art Crawl sites may be reached by vehicle with parking nearby.**

From the Hennepin County website:

Minnehaha Avenue is closed to through traffic between 42nd Street and 38th Street until November for reconstruction. Posted detours for through traffic use Hiawatha Avenue to bypass the construction zone (bicyclists are detoured to Snelling Avenue). Though it may be dirt or gravel, a passable lane will be maintained along Minnehaha Avenue on the blocks under construction for motorists to access local businesses and residences.

Please note any area parking restrictions which will be signed.
