# Welcome to the 2017 LoLa Art Crawl!

The League of Longfellow Artists (LoLa) welcomes you to the LoLa Art Crawl, an annual event in the Greater Longfellow neighborhood of South Minneapolis since 2009. At local studios, businesses and artists' homes or yards, LoLa artists will be exhibiting a huge variety of artwork. This year's crawl features 110+ artists at 63 sites! We are delighted to welcome many first-time LoLa artists as well as new and returning community artists and sponsors.

We are excited to announce that in 2017 we have become a 501(c)(3) nonprofit. We look forward to the expanded opportunities this status will bring our organization and appreciate your support along the journey.

Thank you to our cover artist, Brendon Farley (site #18) for use of his image to promote this year's crawl. His iconic painting of our neighborhood is a great entrée into the amazing diversity of talent you will find in this year's crawl. Look through this directory for more information on what will be included and where to find it. And take note of our amazing sponsors!

Look online ([www.lolaartcrawl.com](http://www.lolaartcrawl.com)) for last minute updates and changes, and for further information about our artists.

Enjoy the Crawl!
